 MEMORIAL FUND**

Paul J. Hannaway, MD
 1937-2007

Paul J. Hannaway, MD, was a pre-eminent allergist, author, and researcher who helped found the Asthma and Allergy Foundation of America, New England Chapter. He was deeply committed to our organization and its mission.

For twenty years Dr. Hannaway ran a charity golf tournament to raise funds for our patient education programs. We are proud to continue honoring the work and memory of Dr. Hannaway by establishing a special fund in his honor.

Donations will be used to run patient education seminars and support groups, publish informative self-help materials, and provide free personalized telephone assistance.

Please give generously to continue Dr. Hannaway's vision of helping people with asthma and allergies live long and healthy lives.
