

Breath of Spring 2013
A Taste of Spring
 April 26, 2013

AAFA New England's annual fundraiser featured great food and spirits "tastings" and a fabulous silent auction.

We honored esteemed allergist Albert E. Sheffer, MD, our distinguished Founding President, in sincere appreciation of his foresight

and many years of dedication, support and commitment to our organization, and Massachusetts State Representative Jay Kaufman for his unwavering support and success in advocating for children with life-threatening allergies.
