Traditional Chinese Medicine

for Food Allergy, Asthma and Eczema:

A Research Update

Tuesday, May 3, 2016

7:00 p.m.

Speaker:

Allergist and researcher

Xiu-Min Li, MD

Professor of Pediatrics & Immunobiology

Director, Center for Chinese Herbal Therapy for Allergy and Asthma

Division of Pediatric Allergy & Immunobiology

Mount Sinai School of Medicine, New York, NY

Dr. Li will present her research and clinical experience as a pioneer in developing a botanical drug, based on traditional Chinese herbal formulas, to treat asthma, food allergy, and other allergic conditions.

NEW! A new book by Dr. Li and co-author Henry Ehrlich will be available this spring from Amazon.com. We hope to have some copies on hand on May 3.

"An amazing book of hope, insight, progress and promise for those suffering from so many serious and common ailments. And at its core is the story of Dr. Xiu-Min Li, a visionary pioneer, an astute scientist, and a compassionate healer who is transforming medical care by bridging East and West with remarkable results." Scott Sicherer, MD
